GOOD LUCK
TO ALL
KARATE CUP
COMPETITORS!

Thank you...

We would like to thank all of you for coming today to support the Martial Artist competing at the Tournament of Champions All American Karate Cup! We hope you will enjoy the tournament. The competitors, both youth and adult, have trained very hard to achieve their current belt status and we would like to take this opportunity to congratulate each and every one of them and thank them for their dedication to the Martial Arts. Also, we understand that performing to an audience can be frightening to many so your combined support for all of the students here today is very much appreciated as the competitors work to further their Martial Art skills.
